

We Walk This Way Together

We walk this way
together,
you
and me.
You are never alone.
We walk this way together,
every twist and every turn.

We walk this way
together,
you
and me.
I will not let you fall.
We walk this way together.
Listen! You will hear my call.

We walk this way
together,
you
and me.
We talk of fire and love.
We walk this way surrounded,
by grace-filled companions from above.

We walk this way
together,
you
and me.
We walk from old to new
We walk this way together,
Sharing the joys and sorrows too.

We walk this way
together,
you
and me.
Drawing closer ever still.
We walk this way together,
as you incline your will to my will.

We walk this Way
together,
Me
and you.
We are never apart.
We walk this Way together,
as I hold you in My Heart.
