

May we see you – a prayer

May we see you in the face of a stranger  
May we see you in the eyes of a child  
May we see you in the times of joy  
May we see you through our times of fear

May we see you as the light of the morning  
May we see you in the rain at noonday  
May we see you as the day draws to a close

May we see you in our homes and gardens  
May we see you in our towns and cities  
May we see you in our everyday lives  
May we see you in your world

May we see you in the grand  
May we see you in the ordinary

Amen

Today I encourage you to pray this short litany and to spend some time simply thinking about where and when you see God in the every day.
