

## Have Courage and be kind

Stay at home but look to the skies,  
Know that courage in your heart lies.  
Don't forget that together we stand.  
We can change the world, oh yes we can!  
That's one small step for every man.  
Spread the kindness if help is in need.  
Be careful, be safe and soon we'll be freed.  
We don't need a hero with magic or powers,  
Just look to the skies, land, ocean and flowers.  
We won't see the end until change happens within.  
This is the start of a new world...let's Begin!
