## Prayer Stations in the Annexe

### Reaching beyond borders

Add your prayer to the paperchain or a post it note on the map  
As followers of Jesus we are part of a global family and movement. We are called to reach beyond our borders and connect with other parts of the country and the wider world.

- Pray for mission projects / other churches /community

### We are the church

Add Lego bricks to build the church

- Pray for the church building

- Pray for those that you know in the church to be guided by the Holy Spirit

- Pray for those that don't yet know God. Pray that church can be a place of comfort and healing for all that visit

### Lords prayer bracelet / pray for 5 friends

- Take a pipe cleaner and thread each colour bead onto it taking time to think about what each bead is representing. At the end use your prayer bracelet to say a prayer either out loud or in your head

-Prayerfully choose 5 people to pray for. Take a piece of cord and tie a knot in it for each person

### Praying in colour

Use the colouring sheets and pens/pencils provided and as you colour focus on people to pray for. In some of the empty spaces write words that come to you or write the names of people for whom you want to pray. Think of each stroke as a non-verbal prayer.

## Tree of peace

In the 5th Century St Augustine wrote: "perpetual peace is indicated by the olive branch." Think about how God always reaches out us, his love is ever faithful. Think about relationships in your own life that may be difficult, or scarred. Write your prayer for those relationships on the tags and give thanks for whatever form it takes right now.

- At the end of the week the tags will be prayed over and burnt with some of the leaves and branches from the tree offered up in loving prayer to God.

### Wash away the barriers

Draw or write on the sheets the barriers of thoughts or things which block your happiness

Imagine them washed away

Dip the sheet in the water, pray the prayer

Remove the sheet, dry it off and take heart that it's clear

Have confidence in 'sins forgiven' and peace where the barriers have been

God loves you

### Saying Grace

Give thanks for every meal

Eat and drink the rice paper wafer and juice

God provides food and drink for us

God's Grace

God's Son Jesus died on the cross and rose from the dead

When we have bread and wine at Holy Communion, we remember he did this to break the barrier of sin and death

He forgives us, he loves us

We can be with him for evermore
